Exceptional Pool  
Experience

- **Enjoy the Zenit Family Advantages**
- **Advanced cleaning technologies**
- **Designed for reliable, long-lasting performance**
- **Cost-effective and easy service**

## Superb pool cleaning – made easy

Take your swimming pool experience to the next level. The Zenit Family of robotic pool cleaners from Maytronics delivers top-of-the-line performance with the absolute minimum in effort and hassle. With a Zenit working for you, you can relax and enjoy your pool, with full confidence that it is completely clean and hygienic for you and your family.

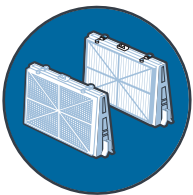

Full pool scanning

Triple-active brushing

Top access

2 filtration options

### **Maximum hygiene**

Unique triple-active brushing efficiently eliminates algae and bacteria leaving your pool water clean and safe and reducing the need for chemicals.

### **Reliable filtration in all pool conditions**

Exclusive, dual-level filtration system ensures a dust-and debris-free pool, without clogging, leaving crystal-clear water throughout your pool.

### **Reliable performance and ease of use**

Advanced technologies deliver precise scanning and total cleaning efficiency all the way to the water line, in minimal time and without intervention.

### **Super-convenient maintenance**

Patented top-opening filtration compartments for easy emptying and cleaning.

# Zenit Family

## Zenit 10

The basic, reliable robotic cleaner for pools up to 10 m in length. With minimum investment, you can enjoy total pool floor cleaning, including the difficult-to-reach angle where the floor meets the walls.

### Specifications:

Cycle time	3 hours
Cable	18 m
Swivel on cable	Prevents cable tangling
Filtration	Fine porosity
Brushes - Combined brushes	matches all pool terrains
Weight	8.5 Kg
Suction rate	16 m <sup>3</sup> per hour
Motor unit voltage	24 VDC
Power supply - digital switch-mode	Output <30 VDC; IP 54
DIY	Easy maintenance; repairable at dealer level
Stand	Included
Warranty	24 months on all parts

## Zenit 20

Step-up to a new experience with this wall-climbing robotic pool cleaner, recommended for pools up to 12 m in length. The cost-effective way to ensure entire pool cleaning, including the floor, walls, and waterline.

### Specifications:

Cycle time	2.5 hours
Cable	18 m
Swivel on cable	Prevents cable tangling
Filtration	Dual level filtration for fine and rough dirt
Brushes - Combined brushes	matches all pool terrains. Add-on extra-active brush
Weight	10 Kg
Suction rate	17 m <sup>3</sup> per hour
Motor unit voltage	24 VDC
Power supply - digital switch-mode	Output <30 VDC; IP 54
DIY	Easy maintenance; repairable at dealer level
Caddy	Included
Warranty	36 months on all parts

## Zenit 30

Maximise your pool enjoyment with remote-controlled setup and cleaning programmes that delivers maximum cleanliness and hygiene, for pools up to 12-15 m in length. Expertly cleans floor, walls, and waterline, without intervention.

### Specifications:

Cycle time	1.5 / 2.5 / 3.5 hours
